Waterloo, Ontario.

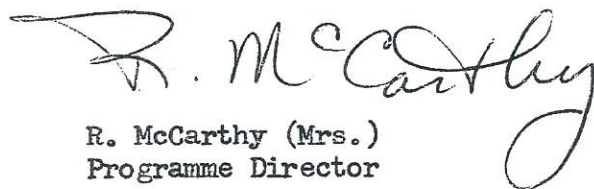

Dear Bruce, and Bruce, Albert, Ed and Keith:

We wish to extend to you five gentlemen a most sincere "thank you" for providing the girls of the home with a most delightful evening, February 14th.

It was very generous and kind of you to give of your time and talents, and the girls not only thoroughly enjoyed it, but appreciated your coming.

We hope you enjoyed your visit half as much, and will come again sometime.

Sincerely,

R. McCarthy (Mrs.)
Programme Director
